## *Southcentral Kentucky Area of Narcotics Anonymous*

June 12, 2021

To the Area Service Committee,

I have begun preliminary work on the development of policies and procedures outlining Information Technology Technician. I am submitting this with an attachment with this report for inclusion in the minutes. Again, the role of this trusted servant can be incredibly technical or surprisingly easy. So you may see language in this policy that is not immediately understood but is important for the Website Adhoc Subcommittee Chair to understand. Initially, these duties remain small but as technology becomes more and more prevalent with widespread use, the responsibilities will quickly expand. We will do our best to be ready.

Also, I want to follow this with policy/procedure that covers Mother's Day and how the Area handles re-scheduling by submitting a motion to establish a permanent regular date for the Area Meeting that month. The region meets that month so it is important to have the Area Meeting prior to that. Protocol for convening emergency Area Meetings should the need arise is still being assessed. Thank you all for the opportunity to serve in this way. I look forward to seeing you next month.

In Loving Service

James A

SCKA Vice Chair and  
Adhoc Policy & Procedure  
Chairperson
