### Outsmart cyber-criminals. Keep scammer tricks top of mind.

It's not unusual to create passwords based on your favorite things. But when you answer questions sent to you by email, text, social media, or phone calls, you could be sharing too much information.

Here are some common social engineering scams:

- **Phishing.** Emails or messages pretending to be legitimate people or businesses. They usually request your personal information, such as passwords or credit card numbers.
- **Smishing.** Scammers send text or messages via a social media platform. Again, they pretend to be someone from your circle or a legitimate business but are trying to get you to reveal personal information.
- **Vishing.** This cyber-scam is a phone call or voice mail message from someone pretending to be from your bank, your doctor, or the government. They usually make urgent request of your personal information to "help" you avoid consequences.

Dear Family,

Continuing to read through policy, tackling the website/ IT section. Several changes and updates are needed to comply with our existing policy. When the technical aspects come up, I'll certainly be reaching out for more help as I'm not tech savvy as the rest of you! Thank you for allowing me to serve.

**SCKANA**  
**KRCNA XXXVII Report**  
**May 7, 2023**

Dear Family,

This past month has been very successful for the committee. Our bank account was opened earlier last month and seed money was deposited. We opened the account under an LLC at first but quickly got it changed to an Unincorporated Association under non-profit.

A P.O. box has been opened. Our Registration Flyer is almost complete and will be readily available on Kentuckiana.org as soon as possible. Cash App, Venmo, Zelle, Paypal, and Checks will all be acceptable forms of payment for registration. We also will have a flyer available giving information about our Convention theme and logo contest.

I, and the Hotels and Hospitality Chair signed the contract with The Holiday Inn last month and they are excited to be working with us again. The committee will be given a tour in the next couple of months for us to begin exploring possibilities.

Earlybird registration was a huge success. We made over \$1400 from registration and donations. The KRCNA 36 committee sent us home with all of the items and totes they had before we all left. The totes have been sorted through and all leftover merchandise from KRCNA 34 to 36 have been bundled up and our Merchandise committee has developed a plan to sell the items at meetings and possible area fundraisers. Our Merchandise committee also have contracts to look over for jewelry and merchandise from outside vendors.

Our Programming committee has been exploring topics for workshops and are deciding on Main Speakers. We continue to do what we love and love what we do.

In Loving Service,      Wayne P.
